

## Student Technology Agreement

The student's signature below shows proof that the following guidelines have been read and understood. This document follows in accordance with the policies outlined in the student handbook and is to be followed as such. This agreement should be read with your mentoring teacher so that any questions may be directed back to the appropriate person(s).

- All chromebooks should be carried in the closed position much like a book.
- All classroom chromebooks should not leave the assigned room unless instructed.
- Assigned chromebooks will remain in their cases and will not be removed under any circumstances.
- All chromebooks will be returned to their assigned carts unless assigned for take home use.
- Students will report any misuse or damage to a chromebook to the nearest staff member.
- Your assigned chromebook is your responsibility; any damages to it will result in administrative actions and repair charges to be assessed if deemed appropriate.
- Measures have been placed to protect you from unapproved parts of the internet for school use. Any measures taken to circumvent this will result in disciplinary actions deemed necessary by the building principal.
